Hi, Rob,

We need to finalize the conference room arrangements. During what time period do you want the room reserved? Would that now be 4:00-8:30?

Also, I'm confused about the screen shots. Are y'all sending us something today, or did you want us to pull from previous materials? It seems like I've heard both, so now I am unsure how to proceed.

Thank you,  
Mary Jo

Jim, during our planning call this morning with Mary Jo and Blake, we discussed your idea of having a live internet connection at Tuesday morning's meeting in Denver, to go out to web pages containing advertising against illicit content. David Blake of the Colorado AGO, Mike Moore, Tom Perrelli and Brian Moran were also on the call.

Our consensus recommendation is to use printed screen shots rather than a live connection. Here are my notes from our meeting today: Going live to the internet during the Tuesday morning meeting is fraught with risks, e.g., because ad content on websites constantly changes, and the ads may not appear at the moment Gen. Hood clicks on a supplied link; in addition, there is always the risk of technology glitches involving the internet hook-up; therefore, we recommend not trying to go live to the internet during the meeting, and instead relying on hard copies of screen shots.

I would be happy to discuss this with you by phone tomorrow or over the weekend, at 425-260-6337.

Meanwhile, we have sent several screen shots to Mary Jo which can be printed and used at the meeting.

Tom Perrelli and I will be available to meet with Mary Jo and you on Monday afternoon by 4:00 PM at the Sheraton, in advance of the 6:00 dinner and 7:30 prep meeting. We look forward to seeing you.

Rob
